## **Low Ph Beer Line Cleaner**

Lion Nathan Australia has completed exhaustive laboratory and infield assessment of Bracton Low Ph Beer Line cleaner.

Results prove that the Low Ph beer line cleaner has the same effectivity and efficiency as current high Ph beer line cleaners.

To that end, Bracton Low Ph beer line cleaner is approved by Lion Nathan Australia for use in the cleaning of beer lines and associated fittings.

Please note: all safety precautions associated with the use of high and low pH cleaners are the same. I.e. Handle with gloves and face protection in place. Avoid all contact with skin. Only use as recommended by the supplier.

If you have any queries please contact me direct or the applicable regional Beer Systems Manager
